ABOUT

Hello! I'm an Information Technology student with a passion for both design and coding. My journey in the tech field has allowed me to work with a variety of languages including Python, HTML, CSS, C, SQL and JavaScript. I've had the opportunity to delve into several frameworks and modules which have further broadened my understanding and skills in the field. My experiences have not only equipped me with a diverse skill set but also fueled my passion for continuous learning in this ever-evolving field. I'm always eager to take on new challenges and look forward to bringing my passion for design and coding to future projects!
